*Helping to make your generosity count!*

## Thrift Stores' Big Savings!

Did you know that Tri-City Volunteers runs a thrift store? Yes, and we offer some of the best deals in the Bay Area on clothing, furniture, toys and other household items. Open Monday through Friday from 9AM to 4:30PM, the thrift store has all kinds of great items for sale.

According to Liz Lopez, store manager, "We get a lot of new items every day and our customers can be sure they're getting really good deals". In fact Liz is a mystery shopper at other local thrift stores and makes sure our prices are very competitive!

In addition to everyday great prices, the thrift store gives seniors a 25% discount on all non-sale items everyday! On the first of the month we rotate merchandise so items that were once half-off go into our special 50 cent bin. You can find really special bargains here! The white tag items are new items and available at everyday great prices. Free clothing and furniture are available by church or social organization referral.

All items in the thrift store are tax deductible donated goods. When we sell those items the proceeds go toward our operations to run the food bank and they support our free donations to families in need. From food bank to thrift store we really are the most helpful to our needy families in the Tri-City area. "It's a win/win for everyone" according to Liz. With the coming cooler weather, Liz is looking for donations of coats, warm clothing and pots and pans. Come support our thrift store with your donations. Stop by and visit us sometime, you just might find that great deal!
