

Tri-City Volunteers

Helping to make your generosity count!

Santa's Firefighter Helpers!

Every year Fremont Firefighters team up with Tri-City Volunteers for their annual toy drive for needy kids. At each fire station around town, firefighters collect toys from the general public which they then deliver to Tri-City Volunteers for distribution.

Seen here is Fire Chief Bruce Martin, handing toys over to Tri-City employee Tao McHaney Jr. Chief Martin says: "Thanks to the firefighters and Tri-City Volunteers, it's just nice being able to help out folks who need a little more."

Chief Martin handing out toys to TCV's Tao

According to Bryan Bevers, Executive Director of Tri-City Volunteers, "TCV hands out over 6000 toys to needy kids. The way it works is that starting on Dec 10 our food clients pick up their holiday food baskets. They are then given a toy for each of their kids." Not many people know that TCV also hands out gifts to seniors who are most appreciative of being included.

We are in short supply of gifts such as CD's, clothes, or books for teenagers from ages 13 to 17 .

This is a busy time for all of us at TCV and we wish to thank Fremont Firefighters around the city for their help and especially those at Station #1 who posed for this picture!
