*A Helping & Loving Hand For Those In Need.*

## Lions come through again!

At a recent meeting of the Fremont Dawn Breakers Lions Club, held at El-Patio restaurant in Centerville, Executive Director Bryan Bevers and newly elected Chairperson, Tom Wohlmuth were invited to describe TCV and make a fund raising pitch. Bryan talked about our history and Tom described the many TCV programs by showing a DVD about the contributions of Logitech and the Fremont Fire Department.

This year TCV is pleased to announce that the Lions club has made a generous donation. The donation came in two parts. The first was a matching donation of \$450 from the club itself in recognition of the valuable contribution TCV makes to the community.

The second donation came in the form of a \$500 check from Ed Shannon who was voted Dawn Breaker Lion of the Year. Each year the Lion of the Year gets to choose the charity of their choice to receive \$500. He chose Tri-City Volunteers both from the urging of his wife and because he is familiar with the good works that TCV does. It also helped that his wife put a donation envelope in his pocket calendar as a reminder!

This wonderful contribution represents a great partnership that Tri-City Volunteers fosters with people in need as well as with the community as a whole. TCV represents the place where individuals, groups, churches, and businesses can intersect and effectuate a change for the better in our communities of Fremont, Newark, and Union City. A big thanks to Dawn Breakers Lions Club!
